

NEW ALLDATA INSPECTIONS

Speed up your customer check-in process with digital vehicle inspections (DVIs), right at the vehicle. ALLDATA Inspections helps with faster approvals, higher ROs, and one-click access to ALLDATA Repair® and ALLDATA Shop Manager™.

Launch Inspections from your mobile phone or tablet to:

- Look up or add a new customer, right at the vehicle
- Check off one of 6 Inspection templates
- DVI shows services required or due soon for higher ROs
- Email DVI on the spot for faster customer approvals
